

Organizational Pattern Chart

Background:

Informative speeches have different organizational patterns. For this exercise you will look at various sample speech topics and identify the type of organizational pattern that best fits that topic.

Directions:

For each topic, check off which organizational pattern is most appropriate for that topic. You should also identify the reason you selected that organizational pattern for that topic. Each organizational pattern should have at least one box marked.

Speech Example & Description	Chronological	Spatial Relations	Cause-Effect	Problem-Solution	Topical Sequence
Oral Health Care					
Benefits of Chewing Gum					
Explanation of Hoarding					
Chicano Walkouts of 1968					
The Re-districting of Los Angeles Schools					
History of Computer Mediated Communication					
Water Drought in California					
Buying a PC over Mac
