

PRACTICING VIDEOCONFERENCING SPEECHES

DIRECTIONS: Skype or videoconference with two classmates to practice one of your speeches for class. When all of you have finished presenting your speeches, answer the following questions.

1. How did you feel while you were presenting you speech through videoconferencing?
2. How did it feel to listen to others presenting their speech through videoconferencing?
3. What made presenting your speech through videoconferencing a good or bad experience? Be specific.
4. Which experience do you prefer: videoconference presentation or face-to-face presentation? Why?
